NEXT up: British retailer NEXT opens at Gloucester Quays

Peel L&P has announced the opening of NEXT, the renowned British retailer, at Gloucester Quays, the South West's premier outlet and dining destination. The opening of the 10,441 sq ft store marks the return of NEXT to the destination.

Located opposite the M&S outlet, the new NEXT outlet store features a range of high-quality and affordable products across its clearance collections. Well-known brands such as GAP, Calvin Klein, and Crocs are on offer, as well as lines from NEXT's own label. Women's, men's, and children's fashion, as well as accessories, homeware and a variety of beauty products, are available.

Aligning with their full-price store at the adjacent Gloucester Retail Park, the NEXT outlet at Gloucester Quays delivers more choice for the destination's visitors, with access to items from the label at an affordable price point.

Paul Carter, Asset Director at Peel L&P, commented: "We are thrilled that NEXT has officially returned to Gloucester Quays, showcasing the destination as a front-runner for retail and outlet shopping within the UK. NEXT has huge renown in retail, so we are proud to have them as part of the tenant mix here, with their high-quality clearance collections guaranteed to be a hit with Gloucester Quays' visitors."

Judi Bowers, Area Manager for NEXT Gloucester Quays, added: "It is a great moment for NEXT to have made its return to Gloucester Quays, and we are so excited to be able to showcase our range of high-quality, affordable clothing to a key South West audience. We strive to offer something for everyone and feel sure that our new Gloucester Quays location will reflect this."

The news of NEXT's launch at Gloucester Quays follows the recent opening of international footwear and lifestyle retailer, Timberland. The openings follow a hugely successful 2022 for the outlet, with retail sales up 8% compared with 2019.

About Peel L&P - Realising Possibility

Peel L&P is an ambitious regeneration business which owns and manages 12 million sq ft of property and 20,000 acres of land and water across the UK, with a total portfolio value of over £2.5 billion.

Established in 1972, it has generations of history, heritage and expertise and is responsible for some of the most transformational projects in the country including The Trafford Centre, Peel Waters' MediaCity and Peel NRE's Protos energy and resource hub in Cheshire.

Other Peel Waters regeneration sites include Liverpool Waters, Wirral Waters, Trafford Waters, Manchester Waters, Glasgow Waters and Chatham Waters with a development pipeline of around 30,000 homes, 10 million sq ft of commercial space and circa 160 acres of public realm over the next 20 to 25 years.

As part of The Peel Group, it strives to make a positive impact on people's lives and is a key partner in helping central and local Government tackle unemployment, reach net zero carbon targets, solve the housing crisis and level-up the country's regions to improve the prosperity, climate resilience and health and wellbeing of communities.

Peel L&P has accelerated its action towards addressing climate change and biodiversity loss, and its five-year sustainability plan is aligned to the United Nations Sustainable Development Goals. It was also the first company in the UK to third party verify buildings as net zero carbon, as defined by the UK Green Building Council.

Peel L&P's specialisms include large-scale mixed-use regeneration schemes, residential, retail, industrial and logistics, hospitality & leisure, and low carbon energy development.

We see possibility. We deliver transformation.
