REACHING NEW HEIGHTS: GLOUCESTER QUAYS SIGNS 14,000 SQ FT CLIP ‘N CLIMB LOCATION

Peel Retail & Leisure has announced that Clip ‘n Climb, the pre-eminent family friendly climbing attraction, will be opening its latest all-action venue at Gloucester Quays next year. The new 14,000 sq ft anchor located on the upper deck will further showcase the vibrant line-up at the destination and strengthen its mix of retail and leisure.

The venue will feature 19 climbing challenges, including Clip ‘n Climb’s signature attractions “Vertical Drop Slide” and “Stairway to Heaven”. In addition, the new site will include a large multi-level soft play area and the exclusive South Ridge Café, offering visitors the chance to recharge and refuel as part of the experience.

The signing is a game-changing addition to the upper deck venue; an area that Peel Retail & Leisure has long earmarked for indoor sport, recreation and fitness, to strategically complement Gloucester Quays’ retail line-up. With Clip ‘n Climb announced, the destination continues to evolve into a true crossover hub, blending shopping, leisure, and family-friendly activities to attract both regional visitors and tourists.

Paul Carter, Asset Director at Peel Retail & Leisure, commented: “Clip ‘n Climb’s signing at Gloucester Quays is the adrenaline-pumping, thrilling attraction we have been targeting for this unique, spacious upper deck setting. This is the perfect addition to our strong retail and leisure offer and strengthens our position as a true crossover destination, appealing to shoppers as well as visitors looking for a more rounded experience.”

Danny Hodgson, Commercial Manager at Clip n Climb, said: “Gloucester Quays has always been on our radar as a location to expand into. It’s a truly special place with a strong sense of

community, appealing to both locals, climbing enthusiasts and those travelling from further afield. We're excited to welcome everyone, from age 2 to 102, to enjoy a variety of challenges that cater to all abilities and encourage families to be active together."

This news follows the 8,000 sq ft of new menswear and gifting brand announcements at Gloucester Quays, including the signings of a new Ben Sherman store, Label Yard and Menkind, and the relocation and upsize of Crew Clothing. The completion of these lettings means Gloucester Quays is now 98% let or under offer.

Notes to Editors

About Gloucester Quays

Gloucester Quays is a thriving 60-acre development located in the City of Gloucester next to the historic docks, museums and Gloucester Cathedral, all within easy reach of the Cotswolds.

About Peel Retail & Leisure - Realising Possibility

Peel Retail & Leisure is an ambitious regeneration business which owns and manages 12 million sq ft of property and 20,000 acres of land and water across the UK, with a total portfolio value of over £2.5 billion.

Established in 1972, it has generations of history, heritage and expertise and is responsible for some of the most transformational projects in the country including The Trafford Centre, Peel Waters' MediaCity and Peel NRE's Protos energy and resource hub in Cheshire.

Other Peel Waters regeneration sites include Liverpool Waters, Wirral Waters, Trafford Waters, Manchester Waters, Glasgow Waters and Chatham Waters with a development pipeline of around 30,000 homes, 10 million sq ft of commercial space and circa 160 acres of public realm over the next 20 to 25 years.

As part of The Peel Group, it strives to make a positive impact on people's lives and is a key partner in helping central and local Government tackle unemployment, reach net zero carbon targets, solve the housing crisis and level-up the country's regions to improve the prosperity, climate resilience and health and wellbeing of communities.

Peel Retail & Leisure has accelerated its action towards addressing climate change and biodiversity loss, and its five-year sustainability plan is aligned to the United Nations Sustainable Development Goals. It was also the first company in the UK to third party verify buildings as net zero carbon, as defined by the UK Green Building Council.

Peel's specialisms include large-scale mixed-use regeneration schemes, residential, retail, industrial and logistics, hospitality & leisure, and low carbon energy development.

We see possibility. We deliver transformation.
